IDENTIFY CONCERNS

Kids are unaware of the dangers of driving under the influence.

SET A GOAL

Create a serious and cinematic video depicting a more realistic case of an DUI. Keep it serious and not cheesy.

FORM A PLAN (WHO, WHAT, WHEN, WHERE, HOW, COST, RESOURCES, AND EVALUATION)

1. Find like minded students who want to film with us.
2. Form a script with the actors for a more natural outcome.
3. Schedule times that work for actors’ sponsors.
4. Various places around Carriage, NM.
5. Filming with actors and cameras
6. We used an actual police officer who has been through things like this.

ACT

We portrayed a video that showed the dangers of DUI's. And that not only alcohol can impair your vision when driving.

FOLLOW UP

We should have community members and asked for criticism to make this as accurate as possible.
